OCTOBER 2019

“Picnic at Hanging Rock”

Our congratulations and gratitude are extended to Director Peter Hammond and his excellent cast and production creatives for the wonderful “Picnic at Hanging Rock”.

We also thank our executive producers, Grahame Foster and Linda Madill and associate producer Jeff Hockley for all their efforts to ensure a great outcome. We had so much positive feedback and audiences really appreciated this thought provoking and challenging play.

Another fine example of the Players’ motto of “Quality, Diversity, Longevity”.

Hat Parade

Alas and alack! We have had to postpone this function for 2019 – it appears that the calendar is just too full of events at this time of year. We hope to re-visit this idea in the future.

Vale – Win Gray

It is with much sadness that we record the passing in August of Win Gray, a much valued member and volunteer in so many productions, not only for us but for all the community theatre companies.
Our most sincere sympathy is extended to Alan and family.

Taken at the Albert Hall on Australia Day 2017.

Win, and Alan, joined the Launceston Players in 1987 after being impressed with the Players' production of "Evita" in 1986. Since then they have worked in a voluntary capacity on many productions that we have staged.

Win has contributed with the making of costumes, costume coordinator for many shows as well as being a backstage dresser for other productions.

In 2015 Win received a City of Launceston Volunteer Recognition Award and on January 26, 2017 Win, and Alan, received a City of Launceston Citizenship Award for all the volunteer work that they had done over 40 years

Thank you to our Sponsors for 2019
