“THE HOUND OF THE BASKERVILLES”

Our thanks and congratulations to Director Jesse Apted, his wonderful cast and team of creatives, on this highly entertaining and very well received production.

Our thanks also to Newstead College for making their auditorium available to the Players, as this proved to be a good alternative while the Earl Arts Centre is being rebuilt.

Gratitude also to Jeff Hockley, Grahame Foster and Linda Madill for their usual highly efficient handling of the many practicalities associated with our productions, with a special mention of Will Cassidy who joined the team to handle the online ticketing process through HUMANITIX Ltd. Thank you Will.

HISTORY BOOK

The history of the Players, which has been written by noted historian Dr Thomas Gunn, is in the final stages of preparation for publication. It is envisaged that it will be available in hard copy and digital versions. Please note that this book will be a limited edition, and Secretary Linda Madill will be pleased to record your interest in purchasing a copy.

100 YEARS AND STILL PLAYING....

We are pleased to announce that a civic reception to celebrate the Players 100th year of continued community participation will be held on **MONDAY 24TH AUGUST** at the Town Hall from 5.30p.m. to 6.30p.m. We are currently compiling the invitation list for this function, and the Secretary will be pleased to hear of anyone who should be included on the list.

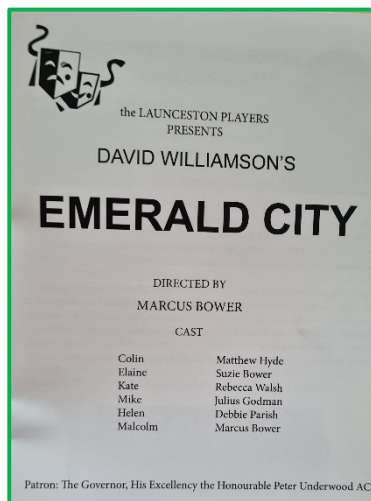

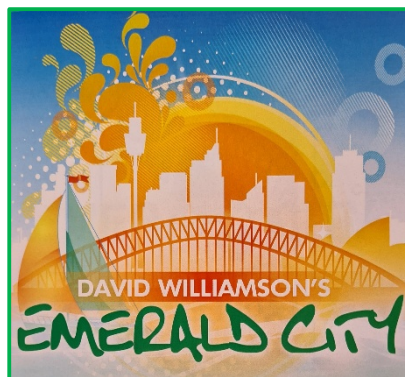

A further celebration will be held on **SATURDAY 24TH OCTOBER** (in the afternoon) at Peppers Silo Hotel. More details for this will be available as it is progressed.

It should be noted that, of necessity, numbers will be limited for these functions with members, past members and participants taking precedence.
