Congratulations to our successful auditionees and thank you to everyone who auditioned, the field was very strong.

We look forward to this cast hitting the rehearsal room floor in February and storming the stage at the Earl Arts Centre from 21 – 30 April 2022.

What is it about?

Set in a tatty provincial theatre, a new play called “Fecund” is being staged. This uproarious adult comedy introduces everyone involved in a series of hilarious scenes linked by a chorus of ushers. The stage manager has a blinding hangover, the leading actors range from pretentious, to bitter to plainly incompetent, the new marketing assistant used to work for British Rail, the author is lecherous, and the others are just as outrageous. The second act centres on the audience, an equally mixed and inharmonious group. Chaos erupts just as the theatre’s major sponsor arrives. Funny, satirical, and technically inventive.
